**RE: FINALISATION OF NOTIFICATIONS OF INVESTIGATION/REVIEW UNDER
SECTION 196G OF THE *VETERANS' ENTITLEMENTS ACT 1986***

The Repatriation Medical Authority (the Authority) wishes to advise that the investigations listed in the attached schedule and previously advertised in the Government Notices Gazette, have now been completed.

The new Instruments that have been determined by the Authority were signed by the Chairperson on 26 April 2019.

The Instruments have been lodged and registered with the Federal Register of Legislation, pursuant to section 15G of the *Legislation Act 2003* (Legislation Act). The day of commencement as specified in each of the Statements of Principles is 27 May 2019. In accordance with the Legislation Act, the Office of Parliamentary Counsel must generally deliver a legislative instrument for laying before each House of the Parliament within six sitting days of that House after the instrument is registered with the instrument's registered explanatory statement. The Instruments and the associated Explanatory Statements registered with the Federal Register of Legislation are available from: <http://www.legislation.gov.au>.

Copies of the new Instruments will be forwarded through our normal distribution process and will also be made available on the Authority's website at <http://www.rma.gov.au>.

If you have any queries, I may be contacted on telephone (07) 3815 9407.

Yours sincerely
